Subject:

Thirty-Seventh Omnibus Claims Objection ("The Response")
DPH Holdings Corporation
5725 Delphi Drive, Troy, Michigan 48098
(Att'n President) & Counsel to the Re-organized Debtors,
Skadden, Arps, Slate, Meagher & Flom LLP, 155 N. Wacker Drive,
Chicago, Illinois 60606
(Attn: John Wm. Butler, Jr. John K. Lyons, and Joseph N. Wharton)

Reason for objection to my claim was Untimely: Claim # 19551. Claimant is Philip J. Carson
Claim Amount: \$100,000.00. Basis for claim is that my lungs were permanently damaged on 06/07.
Occurance was at Delphi Saginaw Steering, Saginaw, Michigan Plant #4. I was assigned to
investigate an odor in the plant that evacuated the assembly lines at the time. As the maintenance
supervisor I found un-labeled chlorine-gas cannisters that the bottoms had rusted thru and had
been stored at the complex for over 20 years without being elevated off the concrete.
Delphi Saginaw Steering would move these cannisters from plant to plant to keep them hidden
from the monthly safety audits. I currently have lung sensitivity to fumes. Smoke, chemicals of
kind and I need good volume of air. Prior to the accident I had planned to work at least another 10
years. Recently moved to Florida because the cold-air to the lungs is an issue. That is the basis for
the \$100,000.00 Claim. My Medical consultant is Dr. Kenneth Rosenman M.D. Professor of
Internal Medicine for Michigan State University.

Claim Should Be Allowed: Basis for objection by Thirty-Seventh Omnibus—(Untimely Claim)
NOTE: Enclosed copy Dated (05Aug09) Notifying Kurtzman/Carson consultants of my
un-timeliness Due to my mother being ill in another state which I was detained at for 6-weeks.
Also 3-phone calls were placed to Kurtzman/Carson on the following dates concerning my time-
lynness upon return from aiding my mother—28July09 left 2-messages then on 30July09. Then
on 31July Tom Kennedy did return my call.

Please note my change of address::::Philip J. Carson
